

## FELTED FRINGED SCARF (TO KNIT)

### Important to know before felting

- Record all the measurements and changes before and after felting. You will be able to adjust the method to produce proper results.
- Always test a sample. Different colored yarns may felt differently.
- Colorfastness can be affected by very hot water.
- Any crochet that has been properly felted becomes very dense and matted.

### How To Felt

- Using low water level, run a Hot/Cold cycle for 5 to 15 min. Add a pair of old jeans for agitation.
- Add 2 tablespoons of baking soda for a small load. After one cycle, check for size. Repeat if necessary.
- Run through the rinse and dry spin cycle.
- Do not use a clothes dryer.
- Shape piece to correct measurements.
- Lay felted piece onto a dry towel, away from direct heat or sunlight.
- If an edge ripples, baste a thread through the edge and gather in. Remove the thread after the felting is dry.

## INSTRUCTIONS

Cast on 48 sts.

**1st row:** (RS). Knit.

**2nd row:** K3. Purl to last 3 sts. K3.

Rep last 2 rows until work from beg measures 61 ins [155 cm], ending with RS facing for next row. Cast off.

## FINISHING

Felt Scarf following How to Felt instructions. Shape Scarf to measurements and dry flat away from heat and direct sunlight.

**Fringe:** With scissors, make cuts 2 ins [5 cm] deep into each long edge of felted Scarf as shown in picture, spacing cuts ½ inch [1.5 cm] apart.

## MEASUREMENTS

Approx 59 ins [150 cm] long x 8 ins [20.5 cm] wide (including fringe).

## MATERIALS

**Patons**<sup>®</sup> **Classic Wool** (100 g / 3.5 oz)

**2 balls** of 77015 (Good Earth).

Size 5 mm (U.S. 8) knitting needles **or size needed to obtain tension.**

## TENSION

19 sts and 25 rows = 4 ins [10 cm] in stocking st.

#136
