INSTRUCTIONS

SPECIAL TERM

sc2tog: Single crochet 2 together – Insert hook in next stitch, yarn over and pull up a loop, (two loops on hook), insert hook in next stitch, yarn over and pull up a loop (three loops on hook), yarn over and draw through all three loops on hook.

SPECIAL TECHNIQUE

Double-ring method — Holding the yarn a few inches from the end, wrap twice around your fingers. Remove rings from fingers and grip two rings and tail firmly between middle finger and thumb. Insert hook through center of ring and draw up a loop. Yarn over and draw through loop on hook. Work stitches of first round in the rings. Pull gently, but firmly, on tail to tighten ring.

NOTES

1. One skein of each color will make 3 or more bears.
 2. If the bear is for a small child, do not use buttons or animal eyes. For safety, embroider eyes.
 3. Firmly stuff the pieces of the bear as you crochet.
 4. Gauge is not critical for this project. However work tightly to create a firm fabric, and so that stuffing will not show through stitches.
 5. Bear is worked in the round. The rounds are not joined.
 6. Place marker to indicate beginning of round. Move marker up as each round is completed.
 7. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through both loops on hook to complete stitch.
- When working head and body, carry colors not in use loosely across wrong side of work. When working arms and legs, fasten off old color.
